PUBLIC HEARING:

Gerry Fawcett, Beechwood Avenue, addressed the following items:

- She asked for the status of the truck/van ordinance. The Borough Attorney informed her that he and members of the Police Department met with the Ordinance Review Committee about that ordinance last week. The focus of the discussion was on the types of vehicles, locations, and sizes. The Borough Attorney prepared a memo to the

to the Committee outlining what was discussed and will then prepare a draft ordinance for their review before it is submitted to the Council for consideration.

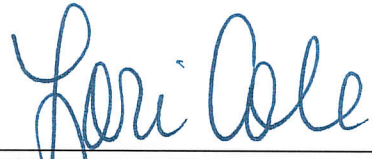

- She asked for the name of the current Prosecutor. She was told that Joseph Hughes was appointed to that position on January 1<sup>st</sup>.
- She asked about the status of the demolition of the 95 Poplar Avenue building. She was told that the permits had to be finalized.

Mary Lynch, Locust Avenue, questioned why her dog license and tag were mailed to her rather than issued at Borough Hall as was done in the past. The Borough Clerk replied that this year was handled differently because the person who normally issues them was out on maternity leave.

Vincent Lepore, 33 Ocean Terrace, Long Branch, confirmed that notices were sent out to local government agencies by the U.S. Department of Transportation's Federal Highway Administration advising that the painting of the blue line in support of law enforcement was unsafe because blue lines are meant for marking handicap parking spaces. Councilman Neyhart stated his refusal to remove the blue line painted along Locust Avenue. Mayor Tucci noted that she received numerous phone calls commending the Borough for painting the line.

Gerry Fawcett, Beechwood Avenue, asked if Monmouth University is going to donate towards this year's fireworks display.

There being no one else wishing to speak, on motion made by Councilman Neyhart, seconded by Councilwoman Juliano, and carried unanimously, the meeting was adjourned at 8:15 PM.

A handwritten signature in blue ink, reading "Lori Cole", is written over a horizontal line.
